## **Support for our Work in 2025**

2025 will be another great year for Tamborine Mountain Landcare. We're maintaining our many existing projects and also establishing new ones, to extend our care of our natural environment.

Scenic Rim Regional Council recognise the value of our work and are supporting us again this year with grant money. Members of our community also contribute funds for our work, and we're very grateful for their support. Tamborine Mountain Glades and Thunderbird Park continue to make regular, significant donations. These sources of funds enable us to carry out our projects by employing contractors who undertake large-scale, ongoing regeneration work. Your membership fees, and our profits from the Piccabeen Bookshop, are also invaluable in supporting our work.

## **Great Cane Toad Bust**

Twenty-five eager volunteers recently gathered at dusk at the Landcare Centre for this annual event. They learned about the appropriate methods of collecting and disposing of these toads, which play havoc with frogs, lizards and other vulnerable native species. Then the toadbusters went searching. Although they found only thirteen cane toads, perhaps this is a good sign that our waterhole and surrounding vegetation have created a healthy ecosystem.

## **The Tuesday Team Back at Work**

Our regular working bee volunteers have resumed their valuable regeneration efforts after a well-earned break. They carried out much needed weeding of small-leaved privets at Holt Park, which has the important Cedar Creek running through it. Almost 20 years ago, the creek here had very bare banks, with just a few large trees lining it. Now, thanks to our Landcare work, it's a beautiful corridor that hosts many birds and insects.

Please contact Judith on 0429 808 206 if you wish to join the friendly Tuesday Team. We meet up on the first and third Tuesdays of each month, for weeding between 8am and 10am, followed by morning tea and chat.

## Piccabeen Bookshop – Happy 20<sup>th</sup> Birthday!

Our much-loved bookshop has been providing locals with quality second hand and new books for 20 years. We'll celebrate this anniversary throughout the year with specials - and possibly a small social event at the bookshop later in the year. Watch this space!

## Have You Renewed Your Membership?

If so, thank you, and a thumbs-up emoji for your efficiency. But perhaps you missed our secretary's recent email, with the reminder that your annual membership renewal is due on 1st March.

Our valuable Landcare work would not be possible without our members. Thanks to your fees and donations, our precious rainforest sites continue to thrive, delighting residents and visitors - and the creatures who inhabit them.

Please note that membership fees can be paid up to three years in advance.
